REFINED GLYCERINE 99.7% MIN

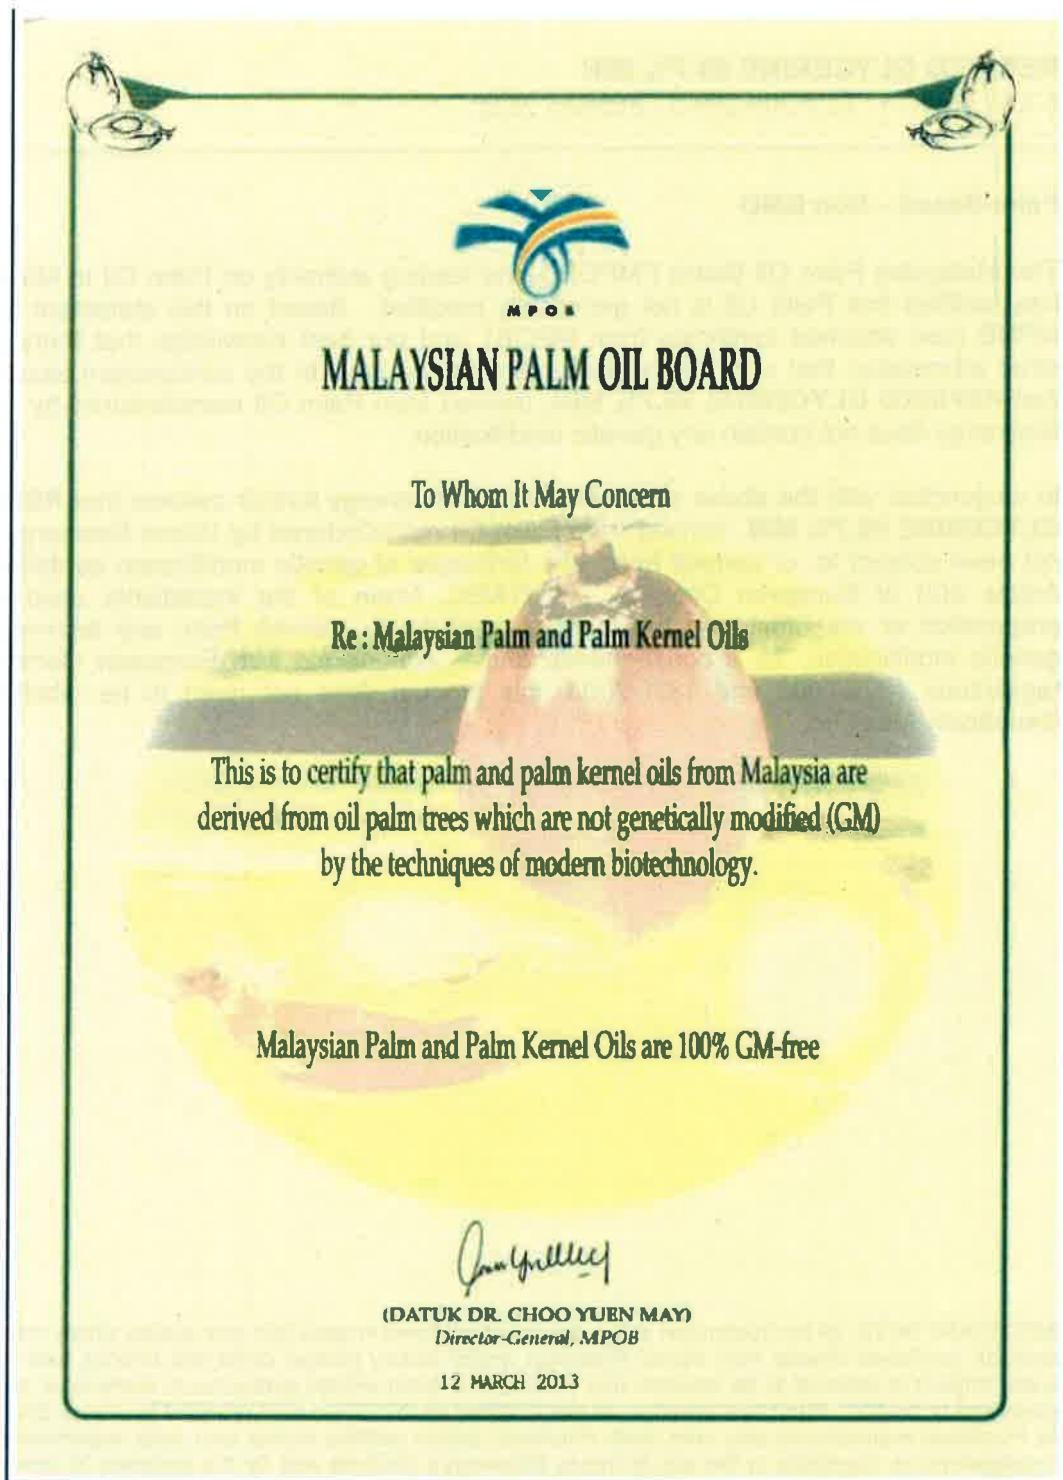

CAS# 56-81-5 / EC# 200-289-5 / FEMA# 2525

Palm-Based – Non GMO

The Malaysian Palm Oil Board ("MPOB"), the leading authority on Palm Oil in Malaysia, has certified that Palm Oil is not genetically modified. Based on this statement by the MPOB (see attached certificate from MPOB), and our best knowledge that there is no other information that contradicts this statement, we provide the concomitant assurance that **REFINED GLYCERINE 99.7% MIN.** derived from Palm Oil manufactured by Vance Bioenergy does not contain any genetic modification.

In conjunction with the above statement, Vance Bioenergy further assures that **REFINED GLYCERINE 99.7% MIN.** derived from Palm Oil manufactured by Vance Bioenergy, has not been subject to, or derived from, any technique of genetic modification as defined in Article 2(2) of European Directive 2001/18/EC. None of the ingredients used in its preparation or manufacturing has been subject to, or derives from, any technique of genetic modification. As a consequence and in compliance with European Community regulations 1829/2003 and 1830/2003, this product does not need to be labelled as Genetically Modified.

IMPORTANT NOTE: All the information in this document is offered in good faith and applies strictly only to the products purchased directly from Vance Bioenergy and/or factory packed containers bearing their original seals. While it is believed to be accurate and reliable, it is given without guarantee or warranty of any kind expressed or implied. Purchaser assumes all risk in acting on this information provided by Vance Bioenergy. As Purchaser requirements may vary, each Purchaser should perform his/her own tests, experiments, and investigations as necessary in the use of Vance Bioenergy's products and for the purposes of determining compliance with relevant laws and regulations.

VANCE BIOENERGY – FDA SITE REGISTRATION NUMBER

The Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (the Bioterrorism Act) directs the Food and Drug Administration (FDA), as the food regulatory agency of the Department of Health and Human Services, to take steps to protect the public from a threatened or actual terrorist attack on the U.S. food supply and other food-related emergencies.

To carry out certain provisions of the Bioterrorism Act, FDA established regulations requiring that:

- Food facilities register with FDA, and
- FDA be given advance notice on shipments of imported food.

In this regard, Vance Bioenergy Sdn. Bhd.'s FDA Food Facility Registration number is **18448180642**. The expiration date of the current registration is 31st December 2016.

IMPORTANT NOTE: All the information in this document is offered in good faith and applies strictly only to the products purchased directly from Vance Bioenergy and/or factory packed containers bearing their original seals. While it is believed to be accurate and reliable, it is given without guarantee or warranty of any kind expressed or implied.
